Dated: 16 October 2015

ORDER

Sub: Submission of information by Cable Television Network Operators/Distributors under the Goa Entertainment Tax Act, 1964.

It has been brought to the notice of the undersigned that during the process of registration, cable operators declare the number of connections operated and the date of commencement of business arbitrarily, and generally state that they do not have any documentary evidence or any written communication from the Distributor or Cable Television Network authorizing them to conduct business activity or to receive signals designed to provide cable services. Registration fees and subsequently renewal of registrations basically depend on the number of connections they operate and as such this information becomes vital.

Therefore, in exercise of the powers conferred by sub-clause(ii) of sub-section (1) of section 6H of the Goa Entertainment Tax Act, 1964, the undersigned directs all Cable Television Networks/Distributors to furnish details pertaining to the cable television operators receiving cable network services from them in the following proforma:

Sr. No	Name of the cable television operator	No. of connections	Date of commencement of business activity	Area of network
--------	---------------------------------------	--------------------	---	-----------------

The information called for therein, shall be furnished within one month from the date of issue of this order and thereafter quarterly from the commencement of the financial year.

Failure to furnish the information within the prescribed time, shall attract penalties as provided in section 8I of the Act.

Commissioner of Commercial Taxes
